REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior arts fail to teach or fairly suggest a memory array including a plurality of first y-drivers, each corresponding to one of one cell column and each including a first circuit for testing a level of stored digital data in the memory cells; a redundant memory array; a plurality of redundant y-drivers, each redundant y-driver corresponding to one cell column and each including a second circuit to test a level of stored digital data in the redundant memory cells; and a controller to generate a selection signal to enable said redundant y-drivers and to generate a disable signal to disable said first y-drivers in response to a failure of said testing of said level by said first circuit of said corresponding first y-driver.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Viet Q. Nguyen whose telephone number is (571) 272-1788. The examiner can normally be reached on 7am-6pm (EST).
